

 rePoint Plus

Registration in the rePoint Plus Plan

You can register in the Plus Plan in two ways:

\$200 Registration

\$400 Registration

For users already active in the Basic Plan:

If you have reached a balance of **\$2000 to \$2000**, you can start your activity in the Smart Contract Plus with a **\$200 registration**.

However, if you haven't achieved this balance, you can begin your activity in the Plus Plan with a **\$400 registration**.

For starting directly in the Plus Plan:

If you wish to bypass the Basic Plan and start directly with the Plus Plan, you can register with **\$100 in the Basic Plan** and **\$400 in the Plus Plan**.

This means the total cost for starting your activity will be **\$500**, granting you access to all the advanced features and exciting opportunities of the Plus Plan.
